

THE EXPERT CFO

OUR BUSINESS IS YOUR SUCCESS

As mentioned in the training we highly recommend that you consider outsourcing your bookkeeping to our sister firm, Mercurius Advisory Services. They can also assist you with more in-depth accounting that is performed by a Chartered Accountant (CA), which is essentially the equivalent of a CPA.

MAS (Mercurius advisory services) provides comprehensive suite of accounting, bookkeeping, and taxation service to small, medium and large businesses. Since 2008, we are serving our clients and flourishing our services with passion and proficiency; thereby developing longstanding partnership, commitment and trust with our clients. Our team has a global expertise in managing complex situations and providing the finest results.

MAS is a dedicated team of CPAs, CAs, ACCAs and qualified bookkeepers who deliver services such as bookkeeping, accounting, taxation, payroll processing, job costing, inventory management, etc.

Prices for outsourcing are as follows:

Bookkeeping Services - \$12/Hour

Hourly Rate for Chartered Accountant - \$25/Hour

If you are interested in outsourcing your bookkeeping and accounting work contact The Expert CFO support team and we will put you in touch with the Managing Partner of Mercurius Advisory Services.
